

Utility notices issued:

March 31
September 30

Billing Period:

October 1 - March 31
April 1 - September 30

Due Date:

April 30
October 31

It is the owner's responsibility to ensure receipt of the invoice. If a utility invoice is not received within one week of the issuing date, contact the Finance Department and an invoice will be re-issued. Interest will be charged on amounts unpaid after the due date.

Effective: April 1, 2022 - September 30, 2022
